1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. The application has been amended as follows: This application is in condition for allowance except for the presence of claims 59-85 to inventions non-elected without traverse. Accordingly, claims 59-85 have been cancelled.
3. The following is an examiner's statement of reasons for allowance: the claims are allowable because the prior art of record fails to disclose or teach the recited separator device configured to receive the coolant from the refrigeration device and direct vapor coolant to the heat exchanger and direct liquid coolant to the refrigeration device (claims 1 and 18), or the over-pressure protection device for maintaining a pressure of the coolant below a predetermined pressure when the primary cooling system is not operational (claim 36).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William E. Tapolcai whose telephone number is (703) 308-2640. The examiner can normally be reached on Mon. - Thurs., 6:30 to 5.
